

**RETURN PERIOD**

Returns are accepted up to 15 days after the date of purchase.

**RECOMMENDATIONS**

- Do not move the watch crown under water.
- Rinse the watch with lap water after swimming on the beach.
- Dry your watch every time it gets wet.

**WATER-RESISTANCE**

Your watch water-resistance is indicated on the back of the case. There are several levels according to water-resistance standards:

- 3 ATM/30m: Resists accidental contact with water, like water splashes.
- 5 ATM/50m: Resists any kind of aquatic sports, except diving.
- 10 ATM/100m: Resists any kind of aquatic sports including shallow diving. Sealing should be checked once a year.
- 20 ATM/200m: Resists also scuba diving. Sealing should be checked once a year.

\*Immersion values in water measured in meters are equivalent to the gauge pressure level applied during testing according to rule ISO 22810.

**LOYTO WATCHES STRAPS**

Loyto Watches recommends to follow next steps to maintain your watch straps in good order:

- Avoid contact with water and other wet elements to prevent discoloration, significant erosion and deformation.
- Avoid prolonged exposure to sunlight to prevent discoloration.
- Keep in mind that the most of the materials of Loyto Watches straps are permeable, avoid contact with oily substances and cosmetic products.

**BATTERIES**

Watch batteries usually last between two and three years depending on the type of watch, size and quantity of energy used.

**MAGNETIC FIELDS**

To prevent functioning problems, avoid contact with magnetic fields like magnets, speakers, cell phones, fridges, ...

**GUARANTEE**

Your Loyto Watch is guaranteed for two years long from the purchasing date under the terms and conditions of this guarantee, which covers material and manufacturing defects existing at the moment of purchasing.

During the guarantee period, you will have a right to free repair of the mentioned defects, or, in case it was no possible the repair, you will have a right to choose among substitution of the watch or the return of the money paid.

The guarantee of the substituting watch expires two years after the purchasing of the substituted one.

This manufacturer guarantee does not include:

- Batteries duration.
- Normal wear and aging (for instance, scratched cristal, color and/or material alteration of the strap...).
- Any damage on any piece of the watch from abnormal/abusive use of it, lack of care, negligence, accidents (hits, notches, cristal breaks, etc), wrong use and lack of compliance of use recommendations.
- The defects produced by contact with corrosive acids and other products.
- The strap and its erosion due to regular use and aging.

**DISPOSAL OF WASTE BATTERIES AND ELECTRONIC EQUIPMENT**

The product and the battery shall not be treated as household waste. Please dispose of batteries in an environmentally friendly manner.

Do not put batteries into the household waste. Please use the return and collection systems in your community.

The recycling of the materials will help to conserve natural resources.
