

# LOYTO L1 WATCH

## ■ BEFORE SETTING THE TIME ON THE WATCH, PLEASE NOTE THAT THE CROWN HAS THREE POSITIONS:

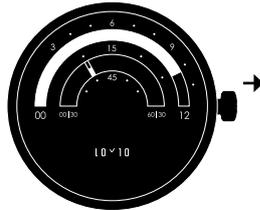

### POSITION 0

Normal operating position.  
The watch runs normally.

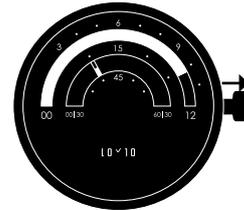

### POSITION 1

Pull the crown until you hear the first click. In this position, you can adjust the hour hand.

### POSITION 2

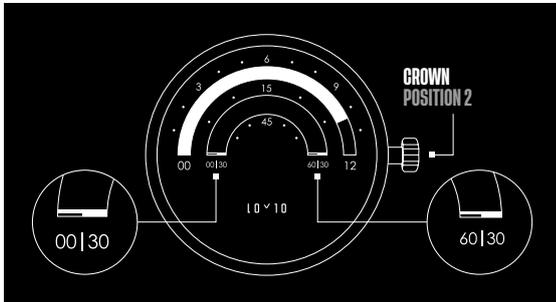

Pull the crown until you hear the second click. In this position, you can adjust both the hour and minute hands.

## ■ HOW TO SET THE TIME

### STEP 1

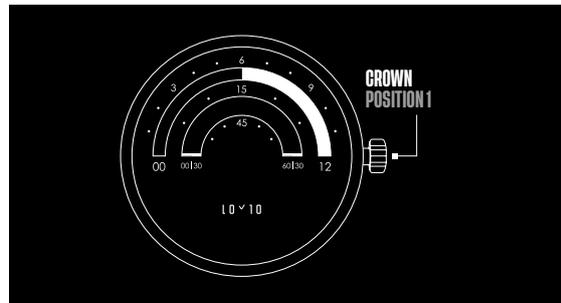

- Pull the crown to **POSITION 2**.
- Turn the crown until the minute hand points to 00 at the left end of the minute arc and 60 at the right end of the minute arc.

### STEP 2

- Push the crown to **POSITION 1**.
- Turn the crown until the hour hand indicates the correct hour:
  - White arc indicates AM hours.
  - Black arc indicates PM hours.

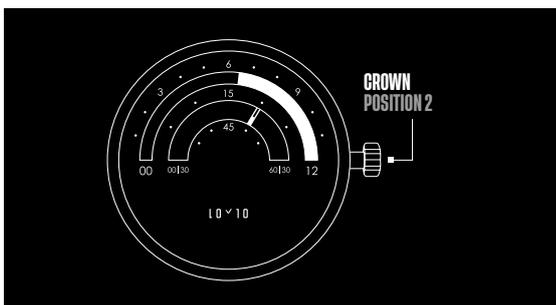

For example, in this diagram the watch is set to 6 PM (arc becomes black).

### STEP 3

- Pull the crown back to **POSITION 2**.
- Turn the crown until the minute hand indicates the exact minute you wish to set. The small notch on the hand indicates the minute.

For example, in this diagram the watch is set to 20 minutes.

### LASTLY

Push the crown back to **POSITION 0**.  
Your watch is now set.
